Reasons for allowance

1. This communication is in response to applicant's 03/09/2006 Amendment after the Final in the application of Lefebvre for a "Telecommunication network and a method for controlling such network" filed 10/27/2000. This application claims foreign priority based on an application filed in European Patent Office (EPO) 99402883.5 - dated 11/19/1999. The amendment and response has been entered and made of record. Claims 1, 5-10, 12 have been canceled per Applicant's request, and Claims 2, 4, 11 have been amended. The claims have been amended to better point out and more distinctly claim subject matter comprising the invention.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

3. The application has been amended as follows:

IN THE CLAIMS:

Claim 3: line 1, replace "A network according to claim 1" with --A network according to claim 2 --

4. Claims 2-4, 11 are allowable as evident by applicant's amendment (Claims are renumbered as 1-4 respectively)

5. The following is an examiner's statement of reasons for allowance: The closest prior art of record fails to disclose or suggest wherein the call control means is provided with a memory containing information representing a maximum bandwidth allocated downwardly to each user and representing a bandwidth allocated downwardly to one or more interfaces, between the users' multiplexer and the switching node, the call control means using information to limit the bandwidth allocated to each user to its authorized maximum, and to limit a total bandwidth allocated to the downward virtual paths to a value not greater than the bandwidth of the one or more interfaces, as expressly recited in the claims.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
